Novel H1N1 Flu Awareness: Community

This podcast is presented by the Centers for Disease Control and Prevention. CDC – safer, healthier people.

Health officials are concerned about novel H1N1 flu spreading from person-to-person. Officials are acting to combat this threat, but the outbreak could grow.

Prepare now.

Check with local leaders, schools, employers, and other community groups about their plans regarding an outbreak in your community.

It's important for everyone to know what to do about this flu. For details, visit www.cdc.gov/h1n1flu or call 1-800-CDC-INFO.

A message from HHS.
