

## Concussion in Sports 4 PSA (:30)

[Sports Announcer 1] It's fourth and goal and the Tigers have taken their last timeout. The season comes down to this.

[Sports Announcer 2] You know they miss their veteran, Max Evans, right now.

[Sports Announcer 1] Yeah, but Coach Dunphey made the right move. Concussions are serious.

[Sports Announcer 2] You're right. We all need to help take concussions out of play. Okay, folks, this is it...

[CDC Announcer] If you think your athlete has a concussion, don't assess it yourself. Take them out of play and seek a healthcare professional's advice.

Visit [www.cdc.gov/Concussion](http://www.cdc.gov/Concussion) to learn why.

A message from CDC.
