

Immunization PSA (:30) NEW MOM ADVICE

Ever notice, when you have a baby, *everyone* seems to give you advice? From your mother-in-law...To your own parents...To your friends ...

But when it comes to the important stuff, like immunizations and protecting my baby's health, I trust my baby's doctor. She really listens to my questions about shots, gives me great information, and she works *with* me to make sure my baby gets protected. And that's something even my mother-in-law can agree with...

A message from the U.S. Department of Health and Human Services.
