

## Jackie's Story PSA (:30)

My name is Jackie. I am a mom and a survivor of cancer caused by HPV. I know how important HPV vaccination is for cancer prevention. *You* can protect *your* kids. It's as simple as getting your girls *and* boys the HPV vaccine series when they are 11 or 12. Let's get our kids vaccinated on time. Make an appointment today. For more information, visit [cdc.gov/hpv](https://www.cdc.gov/hpv) and talk to your child's doctor. HPV vaccine *is* cancer prevention. A message from the CDC.
