[Waiter] Coffee with cream?

[Female] Thanks.

[Waiter] (to another patron) Here's your cappuccino, miss.

[Female] Look, let's talk... Did you know that your doctor doesn't necessarily test you for S-T-Ds? G-Y-T: Get Yourself Tested *and* Get Yourself Talking – have an honest, open conversation with your health care provider about S-T-Ds. *Ask* to be tested.

Visit G-Y-T-now-dot-org to find an S-T-D testing location near you.
